

# What are the top companies in Sri Lanka offering internships in finance and accounting

The top companies in Sri Lanka offering internships in finance and accounting span multinational corporations, leading local conglomerates, financial institutions, and specialized firms. Here are some of the most prominent organizations actively recruiting finance and accounting interns:

- **LSEG (London Stock Exchange Group):** Offers internships in financial reporting, control, and other finance functions, providing exposure to global financial operations and compliance<sup>[1] [2] [3] [4]</sup>.
- **Unilever Sri Lanka:** Provides finance internships as part of their management trainee and leadership development programs, giving interns experience in corporate finance and business analytics<sup>[1]</sup>.
- **International Water Management Institute (IWMI):** Regularly recruits finance interns, offering hands-on experience in financial management within an international NGO environment<sup>[1] [2] [4]</sup>.
- **National Development Bank PLC (NDB):** Offers accounting and finance internships, including roles in tax, audit, and financial reporting<sup>[2]</sup>.
- **Sysco LABS Sri Lanka:** Provides finance internships within a technology-driven environment, allowing interns to work with experienced finance professionals in the IT sector<sup>[5]</sup>.
- **Intrepid Travel:** Recruits finance interns for their Colombo office, focusing on accounts payable/receivable, financial process improvement, and exposure to international travel industry finance<sup>[6]</sup>.
- **Koko:** Offers finance internships, particularly in the fintech and e-commerce sectors<sup>[1]</sup>.
- **SPM Technologies:** Provides finance trainee positions, blending technology and finance experience<sup>[1]</sup>.
- **Samagi Spice Exports (Pvt) Ltd:** Offers finance and accounting internships in the export and manufacturing sector<sup>[1] [7]</sup>.
- **ZinCaT Technology, Luxe Colombo, Analytical Instruments (Pvt) Ltd, and KAATSU International University:** These organizations also offer accounting internships, providing diverse industry exposure<sup>[2]</sup>.
- **Infomate (Pvt) Ltd (John Keells Group):** Offers finance and accounting internships, especially in business process outsourcing (BPO) and shared services<sup>[8] [7]</sup>.
- **Deloitte and other audit/accounting firms:** Frequently offer audit and accounting internships, ideal for students pursuing professional accounting qualifications<sup>[7]</sup>.

These companies represent a cross-section of Sri Lanka's finance and accounting internship landscape, providing opportunities in banking, FMCG, technology, consulting, and non-profit

sectors<sup>[1]</sup> <sup>[2]</sup> <sup>[6]</sup> <sup>[5]</sup>.
